Dear Bruno

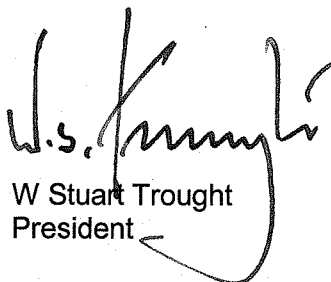

I am writing to express thanks on behalf of the States and the people of Alderney for your generosity in shipping the island's Christmas tree from Poole to Alderney.

The gift of a Christmas Tree from the 30th Signal Regiment and your support in getting it here is very much appreciated.

Please pass on my thanks to all those who contributed.

With very best wishes for a Merry Christmas and a Happy New Year

Yours sincerely

W Stuart Trought
President
